

# Te Karanga a Hape Hiko

**Thumātao is the place where the tupuna Hape alighted when he arrived in Aotearoa at the end of his voyage from the ancient homeland of Hawaiki.**

Hape is a central character in many oral histories for the Tāmaki Makaurau region, Karangahape Road memorializes his historical call. SOUL is performing a celebratory hiko on Karangahape Road so as to connect the two sites and to highlight our conservation kaupapa for a wider Tāmaki Makaurau audience.

## Kaupapa

- Symbolically connect Ihumātao with Karangahape Rd, through the shared story of Hape.
- Advocate for the protection and future management of the Ihumātao whenua and awa by whānau.
- Promote whānau visibility and connection through a celebratory creative kaupapa.
- Connect local maunga advocacy with the UN's International Mountain Day.

## Protocol

This is a whānau-friendly celebration that attempts to follow tikanga Māori at all times.

Keep yourself safe and have an eye-out for others, our two nurses are at hand to help.

Please follow instructions from the marshalls wearing high-vis vests at all times.

**Save Our Unique Landscape (SOUL)** Campaign is led by a group of whānau residents in Ihumātao, Māngere and is inclusive of residents, ratepayers, community members and interested parties. As whānau members we are also mana whenua whose families have lived in Ihumātao for many generations. SOUL is invested in protecting one of the few significant and unique historical, cultural, spiritual, social and environmental spaces we have left in Tāmaki Makaurau.
